## TECHNOLOGY WITH PURPOSE.

Once the looks, the comfort, the power and convenience were taken care of, the brilliant minds behind the Aveo turned their attention to the entertainment. The Chevrolet Aveo is equipped with an available radio/MP3 CD stereo with an audio input jack for plugging in MP3 players, allowing you to play your favorite music playlists from any compatible device.

## PERFORMANCE THAT MATTERS.

If you're in the market for a vehicle that offers up a healthy dose of power in an extremely efficient manner, then you need look no further than the Dual Over Head Camshaft engine of the Aveo. The 1.4L engine is more than capable of getting to and from just about anywhere, whilst a fuel efficiency of only 5.7L/100km makes certain that you get to keep going for longer.
