WHERE THE GOOD TIMES LIVE.

The Traverse ensures you are never too far away from your favorite playlist. Simply sync your smartphone or other compatible device with available Bluetooth® wireless technology or the USB port to enjoy all your favorite content. There's even an overhead rear seat Blu-Ray DVD player with 2 sets of wireless infrared headphones for rear passengers.

INDUSTRY-LEADING SAFETY.

The Traverse has everything you expect to make your drive smoother and most importantly safer. Advanced technologies like an industry-first front-center side-impact air bag, Side Blind Zone Alert, Rear Cross Traffic Alert, as well as Forward Collision and Lane Departure warnings all work together to keep your family safe along the way.
