Ministry of Economy

Service Campaign for Front Passenger Airbag Inflator (U.A.E.)

HONDA
The Power of Dreams

In co-ordination between the Ministry of Economy - Department of Consumer Protection, and in line with the keenness of the Ministry of Economy to conduct an ongoing review of all the products in the UAE and provide the consumer with the required protection, Al-Futtaim Honda announces a service campaign for 05 – 08 City; 04 – 08 Civic; 04 – 08 Jazz; 04 – 05 Stream; 04 – 08 CR-V.

In certain vehicles, there is a possibility of reduced propellant density in the front passenger airbag, which may lead to abnormal airbag deployment.

The decision has been taken jointly with Honda Motor Co. Ltd. and the Ministry of Economy - Department of Consumer Protection to launch a service campaign to carry out the inspection of those vehicles affected in the UAE and replace with modified part to ensure that we give our Customers peace of mind. The replacement will start from the 15th of June 2015.

Al-Futtaim Honda requests all Customers who own these vehicles with the VIN falling in the range listed below to call the Customer care centre on **800-HONDA** OR log on to our website www.honda.ae and make a booking with any Al-Futtaim Honda Service Centre.
