

# INTEGRATED MANAGEMENT SYSTEM POLICY

Al-Futtaim Honda (Trading Enterprises Company LLC), as a leading automotive and power product sales and after sales service provider in the UAE, is fully committed to establish an Integrated Management System including Quality, Occupational Health & Safety and Environment (QHSE) systems.

The effectiveness of the Integrated Management System will be measured through periodic review of the key QHSE objectives and targets.

## **Al-Futtaim Honda is committed to achieving this by:**

1. Maintaining a focus on understanding the needs of our customers by continuously striving to exceed their expectations and by building strong ongoing relationships.
2. Providing appropriate information relating to QHSE, social responsibility, and by training associates through building their competencies and ensuring that all associates understand their responsibilities towards adopting, implementing and refining good practices at work.
3. Conducting our activities in such a way as to prevent injuries, ill health and to prevent environmental harm.
4. Continually improve our systems by recognising and adopting best practice and by proactively promoting innovation and excellence across the organisation.
5. Investing in the communities in which we operate and developing National talent.
6. Complying with all applicable legal and other requirements.

Al-Futtaim Honda will continue to apply innovative efforts and best in class solutions to continually improve the effectiveness of the Integrated Management System as well as conducting periodic reviews to ensure that it remains relevant and applicable to all activities.
