PIONEERING TECHNOLOGY.

The Chevrolet MyLink system puts technology at your fingertips with its integrated color touchscreen interface that connects automatically to your mobile device for music and video playback, internet access, real-time navigation and mobile apps. The handsfree Bluetooth™ connectivity ensures your eyes never leave the road. The Sonic also features an impressive audio system with CD player, MP3 playback and iPod connectivity. whilst a hidden USB port lets you access your tunes effortlessly.

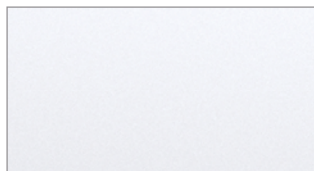

KEEPING YOU SAFE.

The 2016 Sonic has everything you expect to make your drive safe and smooth. A reinforced safety cage ensures a stress-free drive with two front air bags for driver and passenger, whilst the ISOFIX Child Seat restraints ensure ultimate safety for your little one. The Rear Parking Assist booms a warning shot every time you reverse, making parking even in tight spots easy.
